

LIVE WEBINAR

“When things do not go to plan: perioperative lessons learned”

Presented by Dr Paula Foran

Monday 25th May 2020 @ 7.30pm

This live webinar session will:

- Present two-case histories highlighting what we can learn from situations where things do not go to plan
- Discuss a case study with issues related to airway management and retained surgical items
- Answer some of your questions

Paula has a Graduate Diploma in Adult Education & Training awarded from the University of Melbourne, a Certificate IV in Workplace Assessment & Training, a Masters Degree in Professional Education & Training and has received her PhD for her thesis from Deakin University, 'The Value of Guided Operating Theatre Experience for Undergraduate Nurses'. Paula has spent most of her clinical career working learning and teaching in Perianaesthesia nursing, being the immediate past Chief Examiner for the Australian College of Perianaesthesia.

Paula has several publications to her credit including published articles and book chapters, has been a guest speaker and presented keynote presentations at national & international conferences.

Paula has been awarded the 'Most Popular Presenter' for her Keynote Address at the International Collaboration of Perianaesthesia Nurses, and more recently the Best Oral Paper Award at the European Operating Room Nurses Conference in The Hague.

She also coordinates two subjects at a Master level at the University of Tasmania and is a Senior Lecturer for Critical Care Education Service.

Paula is the Education Officer (webinars) and the Member Director for ACORN.
