

Associate Nurse Manager - Cranbourne Centre Day Surgery

About our Theatres at Cranbourne Centre

Monash Health is the largest public health service in Victoria, employing over 18,000 people across a range of specialities. The Day Surgery Unit at Cranbourne Centre is a two theatre complex, incorporating Day Ward and Sterilising Services. Our current surgical specialties include Ophthalmology, General Surgery and Gynaecology, and we cater for adult and paediatric patients. Our team is passionate, caring and committed to providing high quality Day Surgery. As a valuable member of our leadership team, we are committed to working with you to become your professional best. We offer clinical education sessions, training on the job and career progression to enable you to further develop your clinical and leadership skills. We operate Mon-Fri between 0730-1800 hours and 10 hour shifts, as rostered, are required. We are a supportive and collaborative team who provide exceptional care to all of our patients undergoing surgery.

About the Role

An exciting opportunity for an experienced **Associate Nurse Manager (ANM)** with perioperative background, has become available at Cranbourne Integrated Care. The responsibility of the ANM is to support the Nurse Managers and ensure safe and effective management of the day surgery on a shift by shift basis. You will support the Nursing staff and broader team in providing patient centred care, from admission of the patient, through the peri-operative phase to discharge. You will have access to resources to support you in this position, enabling you to further advance your surgical nursing and leadership skills whilst role modelling nursing excellence and delivering a high standard of patient centred care.

Be part of the Leadership team at Cranbourne Day surgery and improve your knowledge and skills across areas of Ophthalmology, Gynaecology and General Surgery in this opportunity where there is no on-call. This is a permanent part time position – Monday to Friday 10 hour shifts.

About You

As an Associate Nurse Manager, ideally you have leadership experience but you will have demonstrated skills in either Scrub/Scout or Anaesthetics/Recovery.

You are also

- dedicated to safe best practice & quality care
- committed to delivering patient centred care & a patient advocacy
- enthusiastic, compassionate & able to work collaboratively
- excited to be accountable for and manage specific portfolios in our relentless pursuit of excellence
- an advocate of Monash Health's Strategic Guiding Principles

What you need

- Current AHPRA registration
- Working with Children's Check
- Proven clinical experience in theatres and ideally Leadership and/or In Charge
- Minimum 3 years Registered Nurse experience
- Relevant working visa
- Relevant qualifications or experience in Perioperative Nursing

What we offer?

- access to Monash Health in-house learning portals to further expand your acute clinical skills & knowledge base
- avenues to further develop your leadership & project management skills
- mentorship & career guidance
- support to attend relevant forums & conferences
- a supportive learning environment, should you wish to undertake postgraduate studies
- In addition, you will have access to benefits including salary packaging to increase your take-home pay, access to onsite staff car parking and gym, uniform and the Employee Assistance Program (EAP).

Monash Health recognises the value of equal employment opportunity and is committed to patient safety and promoting fairness, equity and diversity in the workplace. At Monash Health we are relentless in our pursuit of excellence and work to our six guiding principles. Preferred candidates will require a clear Police Check and a current Working with Children's Check **prior to any offers of employment being made**. As part of our selection process, you may be invited by email to participate in an on-camera video interview. Please note, applications will **only** be accepted via the Monash Health online Mercury System – e-mail applications will **not** be considered. **Search our Facebook community 'Nursing and Midwifery Careers at Monash Health' to be part of an online group; keep updated with recruitment tips and opportunities at Monash Health.**
