

Clinical Educator Theatre

Permanent Part Time (64 hours per fortnight)

Registered Nurse Grade 4 Teacher (YW4-YZ8)

An exciting opportunity has arisen to join the Learning and Development Unit at West Gippsland Healthcare Group in the role of Clinical Educator Theatre.

We are seeking expressions of interest from motivated, experienced and enthusiastic people with a passion for learning and development to work collaboratively in providing high quality learning opportunities, using a range of modalities which support and enable participants to practice as safe, confident and accountable professionals.

This stimulating role would suit an experienced nurse who has clinical expertise in the area of Theatre and is flexible, solutions focused, commitment to quality, willingness to accept a challenge and enjoys working within a team that is dedicated to providing great service to their client group.

Working with us

All appointments with the West Gippsland Healthcare Group are subject to the satisfactory return of professional reference checks, a National Police Record Clearance and a current Employee Working with Children Check. All employees must hold current entitlement to work within Australia. A six month probationary period applies to all new appointments.
