ALLIED HEALTH AND NURSING EDUCATION OUTREACH PROGRAM

Newsletter Issue 7, June 2021

Moving On...

It is with mixed emotions that we farewell our nursing educator, Virginia Beckerman, who finished up with RCH on Thursday 17 June. Virginia has been an integral member of our Team in developing and providing education over the past two years and she will be greatly missed. We wish her and husband Dave every success as they embark on the next exciting chapter of their life adventure in the UK.

We will miss you Gin!

Gin's last webinar with Outreach, 17 June 2021 (with Sarah Temby)

Education Outreach Podcast

As many of you may be aware from our previous newsletter, our Program has partnered with the RCH Education Hub to record a series of podcasts called 'Conversation with the Expert'. Each episode is a chat with an experienced health professional where they share their insights and key messages on a certain topic. Each episode is around 10-15 minutes and is designed for you to listen to at your convenience.

The Education Hub podcast is available on [Apple Podcasts](#), [Google Podcasts](#) and [Spotify](#). To subscribe, search 'The Education Hub', follow the links and select "Subscribe" or "Follow" to keep up to date with the latest episodes.

If you just want to go directly to the Conversation with the Expert episodes, you can also use this link, which will take you to the Education Hub website and that particular collection of episodes <https://education-hub.rch.org.au/education-programs-and-resources/podcasts/#conversation-with-the-experts>, however you can't subscribe to this list so you would have to keep checking the page for new episodes.

Previous podcast episodes released:

- [Weaning Feeding Tubes](#)
- [Post Traumatic Amnesia](#)
- [Chronic Pain](#)
- [Triaging Children](#)
- [Building a Culture of Enquiry](#)
- [Using Nursing Evidence in Practice](#)
- [How Nursing Evidence influences the Quality of Care We Deliver](#)

**Thursday 26
August
2.30pm – 3.00pm

Registration Link:

https://webwednurses_hfnpth.erafy.eventbrite.com.au

If you have registered and attended as an individual, attendance certificates will be automatically sent out within a few days of the webinar. Thank you for your co-operation.

Webinar Recordings

Our new online platform allows health professionals everywhere to access education packages developed and designed by clinical and education experts. [The Royal Children's Hospital Online Learning Platform](#) is a Learning Management System (LMS) that allows users to choose what they would like to learn more about and to track their learning and CPD.

For privacy and confidentiality reasons, not all recorded videoconferences are available for viewing.

How to use the LMS

To access the educational content on the platform, learners need to sign up for an account at <https://learn.rch.org.au/>. Once signed up, a learner can enrol in the available courses. If you are experiencing issues or would like to provide feedback about the platform, please contact education.hub@rch.org.au.

For any Education Outreach Program related queries please email education.outreach@rch.org.au

Your Feedback is Invaluable

Surveys can be so easily overlooked at the end of any presentation but we really can't stress enough how important it is for us to gauge feedback from our sessions. This allows us to develop the best content for future education.

As you may be aware, we are now using RCH Lime Survey and you'll see a QR code at the end of our presentations that will look something like this:

18 August

Child and Young Adult Code Grey

Registration Link:

https://webwednurses_childyoungadultcodegrey.eventbrite.com.au

15 September

Cardiac Conditions within ED

Registration Link:

https://webwednurses_cardiacconditions.eventbrite.com.au

13 October

Rashes in Paeds – When to Worry

Registration Link:

https://webwednurses_rashesinchildren.eventbrite.com.au

17 November

Fever and Febrile Convulsions

Registration Link:

https://webwednurses_feverfebrileconvulsions.eventbrite.com.au

8 December

Fractures in Paediatrics

Registration Link:

https://webwednurses_fracturesinpaeds.eventbrite.com.au

Please note that if you're unable to scan this QR code with your phone, the webpage link will also work and take you straight to the survey if you copy and paste it into your browser. Please let us know if you have any difficulties in accessing the surveys as we can always forward you the link while the survey is activated.

Welcome Claire Bauer

As we bid our fond farewells to the amazing Virginia, we now formally welcome Claire Bauer to our Team. Claire brings a wealth of knowledge and expertise to the role and we look forward to working with her over the next twelve months. Claire can be contacted via email at: Claire.Bauer@rch.org.au. Claire will be happy to discuss any specific education needs you may have, and she will be the new smiling face on our monthly Wednesday Webinars.

How You Can Get Involved

Contact us

Our Program Administrator, Nicole Herbert, is your first point of contact regarding course events and education requirements. She will handle your query or forward it on to the relevant team member for follow up.

General Inquiries Regarding Your Education Needs:

Please contact us on **03 9345 5387** and if we are unable to take your call, we will get back to you as quickly as possible. You can also email us at Education.Outreach@rch.org.au

***If your enquiry is urgent, please contact the following number:
