- Opportunity for passionate Registered Nurses to advance your Career in Theatre
- Work within a supportive team environment

**Acknowledging the vital role they play in providing healthcare to our community, Monash Health proudly supports the WHO 2021 International Year of Health and Care Workers.**

About Dandenong Theatre Services at Monash Health

Monash Health is Victoria's largest public health service. We are proud to provide healthcare to one quarter of Melbourne's population, across the entire life-span from newborn and children, to adults, the elderly, their families and carers. More than 18,000 employees work at over 40 care locations across south eastern Melbourne, including Monash Medical Centre, Monash Children's Hospital, Moorabbin Hospital, Dandenong Hospital, Casey Hospital, Kingston Centre, Cranbourne Centre, and an extensive network of rehabilitation, aged care, community health and mental health facilities. For more information please visit [www.monashhealth.org](http://www.monashhealth.org).

Dandenong Hospital has 8 Operating Theatres and cater for a wide variety of surgical specialities including orthopaedics, plastics, and obstetrics, and gynaecology, ENT, colorectal, maxillofacial and general procedures. With co-located medical and post-surgical wards, we support our patients through their stay at Monash Health.

### **About the Role**

We are seeking to fill multiple roles for experienced Registered Nurses and Enrolled Nurses with demonstrated skills in Anaesthetics/Recovery and/or Scrub/Scout to support our busy Theatres. You will work closely to directly support our professional multidisciplinary team and ensure the safety of our patients at one of their most vulnerable states.

We currently have both Full Time and Part Time, Fixed term and Ongoing opportunities available. We are seeking applicants looking for .6 (3 shifts per week) up to Full Time capacity.

Looking to grow our dedicated & knowledgeable team, we are wanting you to bring your demonstrated skills and experience with a theatre-based skillset to look after our special patients.

Taking a team focus on delivery of care, our primary focus is on a patient's safe journey through theatre. We have a strong education focus and encourage staff to further develop their skills, along with being a part of a friendly environment to work in.

### **About You**

With a caring and engaging manner, you bring a genuine interest and passion of Perioperative nursing. Safety is paramount in this role whilst we advocate for patients in their most vulnerable state. Working closely alongside our multi-disciplinary team and medical staff, your clinical role in the team to support the medical staff for procedures with expectation of highly developed communication skills and knowledge of this area of nursing.

We are a close-knit team who value collaboration and the will to help each other. You will have access to resources to support you in this position, enabling you to further advance your surgical nursing and leadership skills whilst role modelling nursing excellence and delivering a high standard of patient centred care.

#### What You Need:

- Proven and extensive clinical experience within Anaesthetics/Recovery/Scrub/Scout (essential)
- Further studies; Post graduate qualifications to perioperative nursing and advanced nursing care (desirable)
- Current AHPRA registration
- Working with Children's Check
- Relevant working rights to Australia

#### What we offer

- access to Monash Health in-house learning portals to further expand your acute clinical skills and knowledge base
- avenues to further develop your leadership and project management skills
- mentorship and career guidance
- support to attend relevant forums and conferences
- a supportive learning environment, should you wish to undertake postgraduate studies

In addition, you will have access to benefits including salary packaging options that increase your take-home pay, access to onsite discounted staff car parking and gym, uniform and a comprehensive Employee Assistance Program (EAP).

#### What You Need to Know

Monash Health recognises the value of equal employment opportunity and is committed to patient safety and promoting fairness, equity and diversity in the workplace. At Monash Health we are relentless in our pursuit of excellence and work to our six guiding principles.

Applications will only be accepted via the Monash Health online Mercury System – e-mail applications will not be considered.

Existing Monash Health employees should apply using their Monash Health employee account. Please call Recruitment Services on 9265 2776 for assistance.

Offers of employment can only be made once all required probity checks have been completed. These include:

reference checks

a clear Police Check conducted within the last three months

a current Victorian Employee Working with Children's Check (or proof of payment for same)

proof of immunisation.

A request to conduct probity checks does not guarantee that an offer of employment will be made.

As part of our selection process, you may be invited by email to participate in an on-camera video interview.

**In accordance with recent Victorian Public Health directions all employees working in the Public Health system need to be vaccinated against COVID-19 and be required to provide evidence of their vaccination status. All candidates that are recommended for appointment will be required to provide evidence they meet the vaccination criteria.**

This will be by providing a copy of your immunisation history statement, which can be accessed via My Gov, or evidence that you have a vaccination appointment before 1 November 2021. This evidence will need to be uploaded to the E Recruit system.

Offers of employment will only be made to candidates that can provide evidence that they meet the above requirements. If you are unsure of these requirements please contact the Recruitment Manager for this vacancy.
